

Anglesea Skills Day

Already Ride a Motorcycle ? - Want to enjoy riding even more?

Sunday November 28th 2004 - HART Skilled Rider Course

At the Anglesea Complex, Gumflats Road Anglesea Victoria.

At a Discounted Cost to the rider of only \$155.00

(A subsidy of \$40.00 is being provided by Barwon Roadsafe Normal Course cost \$195.00)

If you a confident and practiced rider currently riding a larger capacity motorcycle, this is the course for you. The Skilled Rider Course is held over one full day, riders meet at "The Anglesea Complex, Gumflats Road Anglesea" The Skilled Rider Course is being conducted, utilising the specialised roads at the Anglesea Complex. This course is structured to enhance and refine your existing skills of an already confident and practiced rider currently riding a larger capacity motorcycle on a regular basis. With riders using their own motorcycle.

What will be covered during the course?

This course addresses practical motorcycling skills such as straight line braking, corner braking, counter steering or swerving, throttle control, slow speed riding and exercises which combine different issues within the one exercise. Other components such as a slalom course which aims to improve cornering lines eye direction and riding posture are included in these fun and progressive course's. All of the HART higher level rider training courses are designed to improve your confidence and safety for use everyday as a motorcyclist on the road.

Any special requirements?

Riders will need to provide their own motorcycle which must be fully registered and in roadworthy condition. As with all HART course students must wear full coverage clothing whilst riding - without exception. Riders will need to provide their own helmet, gloves, boots and protective jacket and pants for this course.
